So long as the old Civil Account Code was in force, two advances, each of 6 months' pay ~~were given~~ were being given in every place; but when that was revised, making room for only one advance of 6 months' pay, the late Dewan was pleased to allow the grant of two advances for houses in the Bangalore City Extensions - the literature connected with this is put up for perusal - subsequent to these orders, no two advances have been given for the same house in places outside the Bangalore City Extensions. ~~Sub. to Secy~~

N.K.

For the same reason no more advances are given for houses in the Bangalore City extensions applications of the kind under consideration may be entertained. ~~The object is to encourage~~

The applicant wants to complete the construction of the house he is building in the Hosa agrahar extension of the Chickmagalur fort. The 1st advance taken by him is reported to have been completely ~~spoiled~~ repaid —

If there be no Codal prohibite then sanction the second advance ~~o~~ recommended K.S.C. 8/8

The rules do not provide for the grant of ~~second~~ 2 advance for the construction of the same house. The Govt Officers building houses in the Mallesvaram + the Basavangudi extensions are being given second advances under the authority of an order passed by the late Dewan on 11-11-04. If this Concession is not extended to the houses built elsewhere, the application of the kind under disposal have to be rejected.

~~a~~ Yet I understand this rule correctly? This being so, reject the application on the ground that the rules do not provide for a second advance outside Bangalore
